The congress aims to outline new challenges and requirements in the field of metrology, measurement and instrumentation, and will serve as the multi- and interdisciplinary meeting bringing together scientists and engineers from research and industry. The exciting program will include presentations of the latest research findings and applications in the areas of measurements, industry-based workshops, distinguished plenary and keynote speakers, industry led concurrent sessions, and a plethora of networking opportunities.

The main topics of the IMEKO World Congress 2027 are based on and reflect the scope of the IMEKO Technical committees.

### CONGRESS VENUE - RIMINI

Rimini offers the perfect blend of a territory steeped in history, a splendid and diverse inland area, modern accommodation and entertainment facilities, simple and accessible logistics. Strategically located in the centre of Italy, Rimini is easily reached both from within Italy and from abroad.

### SPECIAL SESSIONS

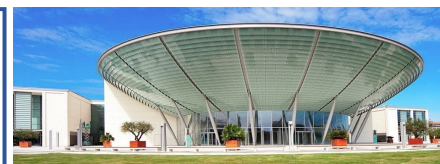

The IMEKO World Congress 2027 will host special sessions aimed at providing conference attendees with unique perspectives on cross-disciplinary TC research topics or on topics not typically covered in the standard tracks. A dedicated call is available at this link: [www.imeko2027.org/call-for-special-sessions](http://www.imeko2027.org/call-for-special-sessions)

### PROCEEDINGS AND SPECIAL ISSUES

Accepted papers will be published in the conference proceedings on the IMEKO website in open-access format. A selection of papers will also be recommended for further publication in peer-reviewed journals as extended versions.

### EXHIBITION OPPORTUNITIES

The Conference Exhibit area will provide companies and other organizations with an opportunity to display and promote products, services, equipment, journals, publications, and/or other items to attendees from around the world.

The Rimini Palacongressi is one of the largest conference centers in Italy. It dominates the area of the former fair, extending like a great canopy over the square below, as if inviting and embracing visitors to take part in the many events it hosts.
